CORONAVIRUS

Please be aware that school is following Government guidance and receives daily updates. There is a letter on our website with links that you may find helpful. We have spoken to all children about the importance of handwashing and using tissues to "catch it, kill it, bin it". If your child has a temperature and is unwell we would ask, as always, that you keep them at home until they are well. We will inform you of any updates via a letter on the website and will text an alert to you when the letter is updated.
