Head Teacher: Ms C J Munton

CORONAVIRUS

Please be aware that school is following Government guidance and receives daily updates. There is a letter on our website with links that you may find helpful. We have spoken to all children about the importance of handwashing and using tissues to "catch it, kill it, bin it". If your child, or any member of the household, has a temperature of 37.8+ or/and a consistent cough then they will need to be isolated (along with the whole family) for 14 days.

ATTENDANCE

Well done to 2HP who achieved 100% attendance last week. Whole school attendance was 95.6%.

EASTER DISCO

Unfortunately it has been necessary to cancel our Easter Disco.

MOTHERS DAY STALL

On Friday 20th March we will be holding a Mothers Day stall for children to purchase Mothers Day gifts during the school day. Each item will be individually wrapped and prices will be between £1 - £2.
Please send money in on the day with your child.

PARENTS EVENING

Unfortunately it has been necessary to postpone parents evening until further notice. Teachers have already prepared the short written reports and will hand these to parents at the door over the next couple of weeks, or will be put into envelopes and put into bookbags. If you would like to speak the teacher regarding your child's report, please contact the school office and we will arrange for a telephone call to be made. We will rearrange parents evening in the Summer term but with the current uncertainty those dates are to be confirmed.

ALTERATIONS TO SCHOOL MENU

A reminder to parents that week 2 of our school menu has been changed to:

- Mondays - Roast Gammon
- Tuesdays - Chicken Pie

As soon as revised menus have been received we will issue copies.

LIP BALM

We have been made aware that children are bringing lip balm and applying and sharing during the school day. Given the current advice re hygiene and handwashing, lip balm could carry viruses. Lip balm and other similar products should be kept at home for the foreseeable future. If there are any medical reasons why balms and creams should be used during the school day, Administration of Medicine forms will need to be completed. Thank you for your support and patience in this matter.

STAR OF THE WEEK ASSEMBLIES

Please note that our Star of the Week parent assemblies have been postponed until further notice. Children will however still continue to receive awards within school.

PGL TRIP

Whilst schools are still open PGL will continue to operate. At this current moment in time the PGL trip will still run as normal, however, as with everything, this is subject to change. We are in contact with PGL and will follow guidance and advice as we receive it. We will inform you if and when anything changes. We appreciate your patience and support in this matter.

AFTER SCHOOL DODGEBALL CLUB

Please note that after school Dodgeball club has now finished.

SPECIAL EASTER MENU

There will be a special Easter menu on Wednesday 1st April consisting of Roast Turkey or Cheese & Onion Quiche (v) and Chocolate Krispie cakes. Meals do not need to be pre-ordered.
